

## **Seminars and Planned Giving Talks**

The Catholic Foundation of Northeast Kansas is available to provide short talks to explain endowments or how to promote planned giving awareness at your parish. Talks are between 15-30 minutes with time available for questions. Please invite our staff to explain to your parish or Catholic organization the value of starting and growing an endowment, and to help you increase planned gifts by creating an awareness of ways that parishioners can give to benefit them and the church. Your parish could be one suggestion away from the next \$1 million gift.

Talks can be during the day, in the evening, and on weekends. Please provide one month notice for scheduling.

### **Suggested Groups**

1. Parish Finance Council
2. Pastoral Council
