Our Giving Services

As Catholics, we believe in the importance of stewardship of our God-given gifts. We often seek ways to give back to the Lord in thanksgiving for the blessings He has provided to us.

The Catholic Foundation helps individuals and families pass along their Catholic heritage and values to make a difference in the Church now and in future generations.

- When you make a gift now, you keep our Catholic community vibrant and thriving.
- When you make a planned gift, you help parishes, Catholic schools, and other Catholic ministries in the future.
- You can also do both – make a gift now, and strengthen it with a gift through your estate plan.

GIFTS THAT MATTER

When you create an endowment fund, scholarship fund, or donor advised fund with the Catholic Foundation, or add to a fund that already exists, your gift strengthens our faith communities and secures the future of our Catholic faith. Your generosity impacts the Church in the Archdiocese of Kansas City in Kansas, both immediately and in the long term.
