**"Tell them to do good, to be rich in good works,

An Introduction to Endowment Sunday

What is an Endowment?

An endowment is a permanent investment of gifts from which the income earned will be used to support a particular parish, school, or ministry. Only the income or interest earned is available for distribution, so the donor's original gift is never spent.

As a result, endowed funds provide a perpetual, supplemental source of income for such things as the enhancement of programs and ministries, facilities maintenance, tuition and teacher assistance, etc. By planning today, endowments protect parishes, schools, and ministries against changing demographics and increasing expenses.

Importantly, endowment funds provide a vehicle through which individuals make outright or planned gifts that will have an everlasting impact on the parish. In time the income generated by the gift will far exceed the original donation.

What is Endowment Sunday?

- A chance to educate your parishioners about the importance of securing the financial well-being of the parish both now and forever.
- An opportunity to encourage parishioners to leave the parish endowment fund in their will or estate plans.

Why Have an Endowment Sunday?

The Catholic Foundation conducted a parish survey and found that **93% of parishioners were not aware or were unsure if their parish had an endowment fund**, BUT if the parish had an endowment, **50% of parishioners would be likely or very likely to contribute to it.**

- If your parish **is electing to receive your semi-annual income distribution**, you also want your fund to grow so that you can ensure your parish is thriving now and in the future.
- If your parish **is not electing to receive your semi-annual income distribution** from the endowment fund, you want your fund to grow so that you can rely on a stream of income going forward during insecure times.

An Endowment Sunday is an opportunity to educate your parish community about your endowment fund. It may include a second collection, or you may focus on educating your parish community about the endowment fund.

When have other parishes been successful in promoting their endowment or doing an Endowment Sunday?

- Parish feast day or the month of the parish feast day
- Month that is important or relevant to your parish
- Outside of other major fundraising efforts
- A “quieter time,” such as summer
- Archdiocesan Endowment Sunday

The Basics of an Endowment Fund

Suggestion: run four weeks in advance of Endowment Sunday. This article provides a brief overview of an endowment fund.

Did you know that (name of parish) has an endowment fund? Not sure what an endowment fund is?

One important aspect of our Catholic stewardship is to provide for future generations. An endowment fund can accomplish that mission. Our endowment fund was created to ensure that our parish is able to financially sustain our mission to (add parish mission or tagline) long into the future.

Our endowment fund is intended to last forever. Gifts to our endowment fund are protected and never spent. As the market grows over time, the value of the gifts to our fund grow and produce earnings that can be used by our parish to meet current needs.

If you currently receive distributions:

We have used the distributions from our fund for projects such as (share an example or two of how the money has been used to benefit your parish).

Anyone can add to our parish endowment fund at any time. Our endowment fund is held at the Catholic Foundation of Northeast Kansas in in Kansas City, KS, and is invested and managed in accordance with Catholic values.

An Endowment Fund Helps Our Parish In Future Generations

Suggestion: run three weeks in advance of Endowment Sunday. This article shows how an endowment fund helps the parish in the future.

Our parish endowment fund ensures the vitality of our parish long into the future. Because an endowment fund is intended to last forever, gifts to the endowment fund are never spent. The fund continues to grow so that our parish has support for years to come to continue the work of Christ in our community.

As our parish grows physically and spiritually thanks to the grace of God, our needs may exceed our financial means. Our endowment is a way to stabilize our parish income now and in the future so that we can carry out the work of Christ in our community.

An Endowment Fund Helps Our Parish Now

Suggestion: run two weeks in advance of Endowment Sunday. This article shows how an endowment fund helps the parish right now.

Our parish endowment fund not only ensures that we can continue our mission to (add parish mission or tagline here) long into the future, but it ALSO helps our parish **right now**.

If you currently receive distributions:

Because our endowment fund grows as the market grows, as a parish we are able to receive a distribution from the fund twice a year if we choose.

Recently, we have used the distributions from our fund for projects such as (share an example or two of how the money has been used to benefit your parish). We are able to support a current need without using our offertory and make our experience at (name of parish) more fulfilling today.

Next Week is Endowment Sunday!

We at (name of parish) are celebrating our vibrant and growing community now and the community it will continue to be long into the future with an Endowment Sunday next week! Our endowment fund supports the mission of our parish long into the future. It ensures the financial stability and sustainability of our parish now and forever. The principal of the fund continues to grow over time – only the interest is spent on current needs of our parish.

How can you support our parish endowment fund?

- Make a gift now – You can make a gift of cash, appreciated stock, real estate, or other assets like a coin collection or jewelry. You can also give a one-time or recurring online gift with a credit card or ACH payment. You can make a gift to the endowment fund in honor of or in memory of someone you love, a birthday, or an anniversary.
- Make a planned gift – you can make (name of parish) a full or partial beneficiary in your will or estate plans, life insurance policy, or retirement accounts like an IRA.
- Do both – You can also make a gift now and a planned gift in the future in thanksgiving for all that God has entrusted you with.

Thank you in advance for your support of (name of parish) both now and in the future with a gift to our endowment fund!

Support Our Parish Endowment Fund!

Suggestion: run on Endowment Sunday weekend.

This weekend is Endowment Sunday! If you missed previous articles, our parish has an endowment fund that supports our needs now and in the future. The endowment fund aids in the sustainability of our parish for current and future generations.

You can support our endowment fund through a current gift, such as a cash, check, or online donation via credit card or ACH transfer. You can also consider leaving a gift to the endowment fund in your will or estate plan. And, please pray for our parish, that we may continue to do God's work in our community for generations.

Mass Talk Script

Note: Ideally, a short talk would be given by a parishioner who has already made plans in their will for a gift to the parish endowment fund, or at least include a quote or story about why the parishioner made a planned gift in their will or estate plan. The parishioner may of course remain anonymous if they wish and still provide a quote or story. An endorsement from the priest before or after the talk is valuable.

Did you know that (name of parish) has an endowment fund? One important aspect of our Catholic stewardship is to provide for future generations. An endowment fund can accomplish that mission. Unlike our offertory collection or annual appeal which can be used immediately, an endowment is held in an investment fund set aside for the long-term support of our parish.

Many parishioners find that remembering their parish in their will or estate planning is a way to thank the Lord for all of life's blessings.

(Share story or quote by a parishioner who has made a planned gift)

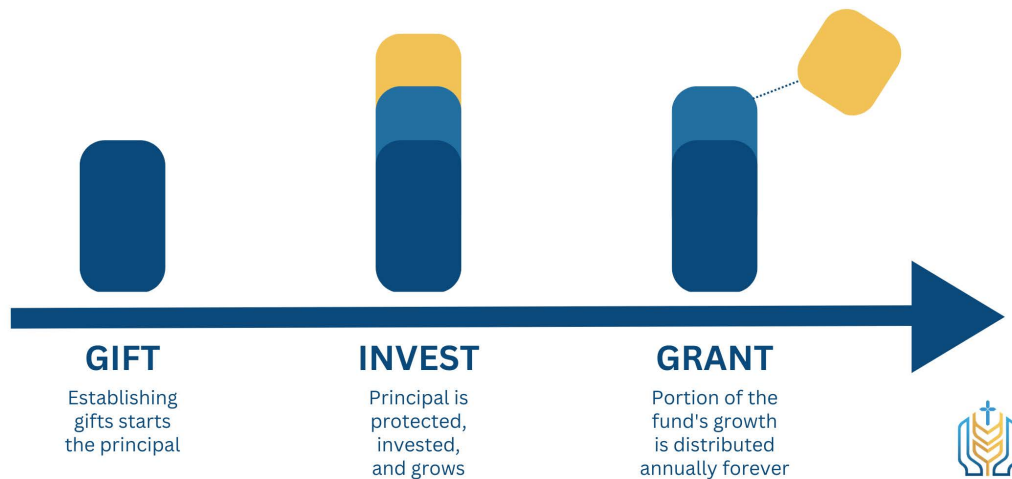

A gift of *any size* to the parish endowment fund now, or a planned gift in the future through a will or estate plan, will ensure that you continue to be a part of the future of our parish, and will provide for the future needs of our parish and parishioners for generations to come. You do not have to be wealthy to make a difference. All of us giving what we can creates a Catholic legacy and returns to the Lord the blessings He has given us. God bless you and thank you for your consideration.

Appendix A: Overview of Endowment Funds

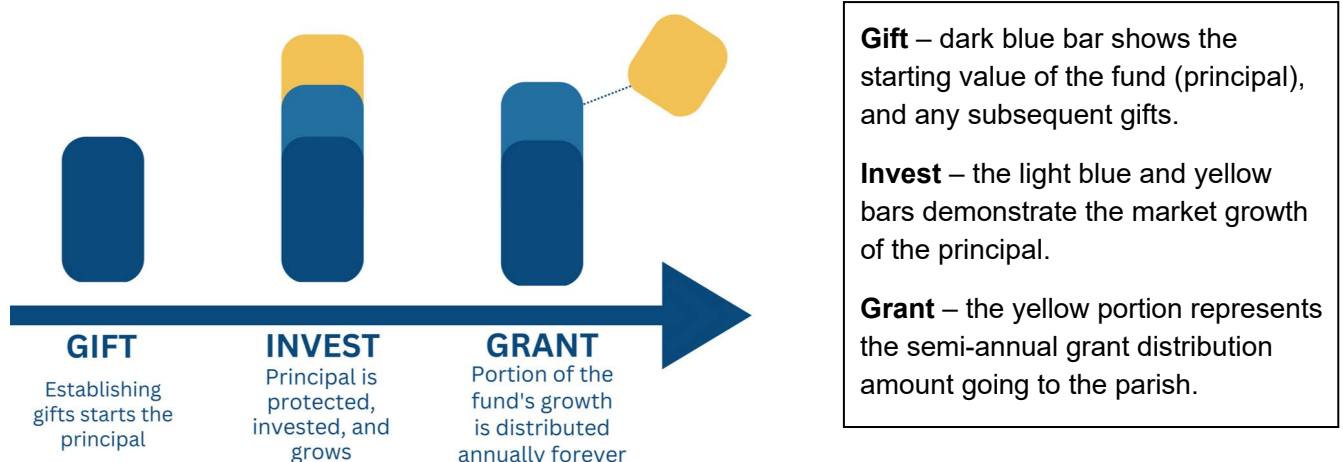

An endowment fund helps ensure the future of your parish and sustains your mission now and forever. A gift to an endowment fund is never spent. Instead, the gifts are protected by law, invested, and grow over time. Your parish endowment fund is held at the Catholic Foundation of Northeast Kansas.

Your parish is the sole beneficiary of your parish endowment fund. Gifts to the fund are legally protected to only go to your parish.

As the value of the endowment fund grows, your parish receives a semi-annual distribution grant that comes from the earnings of the fund. The distribution grant can be used in many ways to support the needs of your parish.

To ensure the sustainability of the fund, the current semi-annual distribution is 4% of the previous 3 year rolling average of the market value of the fund.

How an Endowment Fund Works

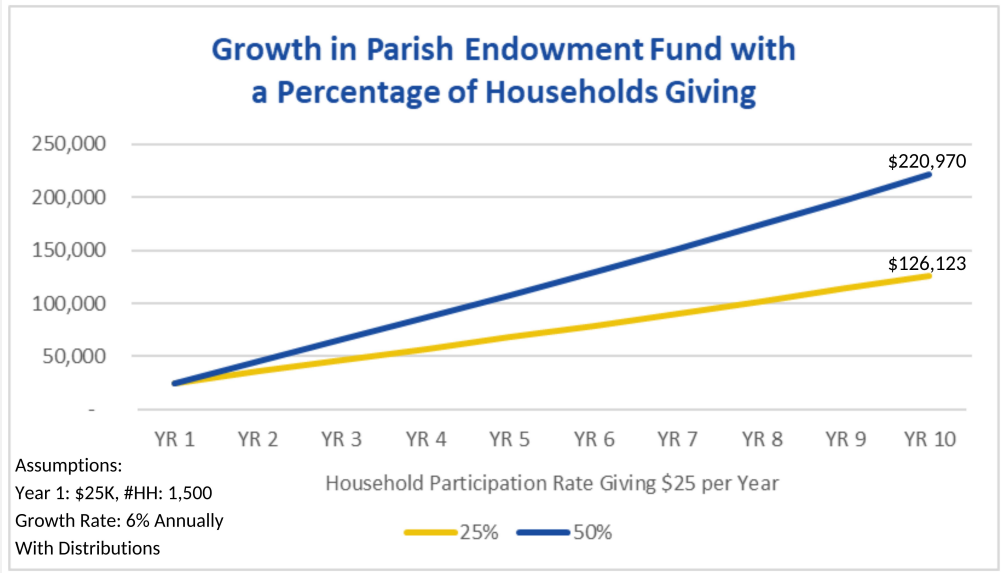

Endowment funds are NOT:

- A long-term savings plan that can be spent when a big expense arises
- A capital fund
- An alternative to the Archdiocesan Deposit and Loan

Gifts to your endowment fund have long lasting effects. While encouraging gifts left in a will or estate plan is a great way to grow your endowment fund, you can also grow it through current gifts. In the following charts, you can see annual donations by parishioners of \$25 affect the value of an endowment fund over a ten-year span.

In this chart, the assumptions are 1,500 households in the parish with a starting fund value of \$25,000 and an annual market growth of 6%. The yellow line shows 25% of the families giving \$25 a year to the endowment fund. The blue line shows the growth if 50% of the families gave \$25 a year. This chart assumes the parish **does not take** their semi-annual distribution grants.
