

CATHOLIC FOUNDATION
OF NORTHEAST KANSAS

SCHOLARSHIP FUND

Create a Lasting Legacy

Scholarships support promising and deserving students by assisting them with the costs of their education. Donors often establish a scholarship fund because they have benefited from a Catholic Education in their own life and want to ensure that those same opportunities are available to our future generations. Donors may also establish a scholarship to honor or memorialize friends, teachers, family members, or other loved ones.

You can...

- Establish criteria for awarding the scholarship
- Choose to provide the scholarship for students in elementary, junior high, high school, or college
- Establish a scholarship fund in a donor's name, for a particular school, or for uniquely qualified students, and to make grants accordingly

Key benefits

- The Catholic Foundation manages the fund and distributes the award directly to the school on behalf of the recipient(s)
- Once established, anyone can contribute to a scholarship fund
- Support educational opportunities, Catholic educational institutions, or a specific course of study
- Invested professionally, in agreement with the United States Conference of Catholic Bishops Socially Responsible Investment Guidelines
